MEMORANDUM FOR: Department of Commerce
Attention: Mr. John W. Phillips
Security Control Officer

SUBJECT: East/West Shipments of [REDACTED]

REFERENCE: [REDACTED] dated 1 March 1960
[REDACTED] dated 15 March 1960

1. Our efforts to obtain the address and name of the [REDACTED] source have been fruitless. The original informant met our approach with delays and stalling and, finally, on 21 May, stated that he had received an answer from his source to the effect that he did not want anybody to contact him or have anything further to do with the affair.

2. We feel there is no point in trying to follow this lead further. It is not even certain he is in [REDACTED]. Our source was anything but direct in his latest dealings and tried to get us interested in other trivial matters to get us off the scent. It is, of course, possible that the source is already in contact with other intelligence services.
